Bible Story Reference: Luke 19:28-40; 22:14-23:56; 24:1-12

Bible Verse: The Stories of Holy Week

Main Idea: All of Holy Week rests on this message, "Jesus loves us." From the high of a Palm Sunday procession to the low of Jesus' suffering on Good Friday, Jesus always loves us. We will remember all of the Holy Week events and celebrate the love Jesus has for all people. Jesus' love for us, lived out in his death and resurrection, is the spark that sends us out to love others.

Objectives: Children will have the opportunities to

- Enlarge their understanding of the events that took place during Holy Week.
- Explore how sadness mingles with joy; God turns death into life.
- Celebrate the arrival of Jesus, our King, and share His love and message with others. □
